AFC CHAMPIONS LEAGUE – HISTORY

The AFC Champions League is Asia's premier club competition, pitting 32 club sides from Asia's most competitive national competitions against one another for the honour of continental club Champion, and a place in the FIFA Club World Cup.

The first Asian Club Championship was played in 1967. For most of the next 25 years, Asian clubs competed against each other on a number of different fronts, namely the Asian Club Championship, the Asian Cup Winners' Cup and the Asian Super Cup.
